➔ 2018 ENTRY LOTTERY RULE – PLEASE READ ←

- Market animal entries will be limited to 45 steers, 270 hogs, 210 lambs & goats combined, and 40 rabbit meat pens.
- Entries will be received by the Fair Office between the entry opening date specified in the local rules and close of entries, which is the ownership deadline as specified in State Rules.
- If at 12:00 noon on the 5th business day after entry opening there are more market animal entries than the limit allows (for a specie), the Fair shall institute a public lottery to select the specified number of entries allowed from all entries for each specie, received from the beginning of entry opening.
 - This public lottery will take place at 4:00 p.m. on the 5th business day after entry opening in the Fair Administration Office and shall be open to any interested party to witness.
 - Entries not selected in the lottery for participation in the market animal show will be entered into a secondary lottery to rank a waitlist order.
- Any entry submitted after 12:00 noon on the 5th business day after entry opening will be accepted if entry limits for that specie have not been exceeded. If entry limit has been reached entries will be placed on the waitlist in order of receipt by the Fair Office, behind entries that were received in the Fair Office prior to 12:00 noon on the 5th business day after entry opening.
- If an entry that was selected to participate in the market animal show withdraws for any reason, entries from that specie waitlist will be selected to participate in the Market Animal show based on rank order.
- Entry fees are due when entry form is submitted.
- If an exhibitor is not selected to participate in the market animal show as a result of the lottery process, the entry fee will be refunded upon request.
